5. Superintendent Report:
Mr. Abdulahad would like to address the Facebook comments made by Mr. Brown in regards to the Madison District Education Foundation – K2C – to help stop the spread of misinformation. MDPS did not create the organization, someone else did, if the Madison District Education Foundation Board would reach out to help to account for the funds. However, the money has not been spent by the District nor

has it been put into the General Fund. It is still sitting in an activity account. Until someone on the Board for the Foundation contacts MDPS, the money will stay where it is at.
